Ron Zimmerman has offered to spearhead a club campout at the Antique Gas and Steam Engine Museum in Vista October 17-21, 2024. Some of us have attended in the past and it's quite an interesting experience. This is "Dry Camping" but they do have a water fill and a dump station adjacent to the camp ground.

They require a minimum of 10 rigs to do the camp setting. They will put our group together and sites will accommodate rigs and tow vehicles. We will have space for tables and campfires, the latter being in portable pits at least 6 inches off the ground. Total cost is \$160.00 for the 4 nights.

There is a separate entrance and exit to the camping area so we are free to come and go, and to enjoy other activities in the Vista area. By arriving on Thursday afternoon, we would arrive before some of the exhibitors, many of whom will come with their campers and equipment and will spend Friday setting up their exhibits.

Attached is a road map and a grounds map to show where the camping area is located.

Though not confirmed, the last time we went they had a great breakfast we could buy in one of the buildings on the property.

Quartzite No-Host Rally January, 2025

Some RV Wheelers plan to head to Quartzsite, AZ for the annual RV Show in January, 2025. The Quartzsite RV Show is the largest RV show in the world. This regional event is set to start on Saturday, January 18, 2025. Most of us are staying at the Rice Ranch RV Park which is located directly across the street from the main tent at 55 East Kuehn Street, Quartzsite, AZ. The Park has new owners who have done some improvements. We will confirm as it gets closer, but the rate is approximately \$57 per night for full hook-ups. Everyone must call to make their own reservations, but please tell them you're with the RV Wheelers as we have a block of sites on hold for our group from Thursday 1/16/2025 to Tuesday 1/21/2025.

Call Holly at Rice Ranch RV Park for reservations: (928)927-4782.

People love browsing the wares of over 425 vendors who cater to the RV enthusiast. From quirky kitchen items to RV bedding and the latest RV camping gadgets, the Quartzsite RV Show brings products to thousands of RV enthusiasts every day.

As a gathering place for winter snowbirds, the show is a cornerstone of Quartzsite's winter snowbird scene. Over one dozen different service bays on the show grounds provide needed repairs and upgrades for attendees.

An aerial view of the Big RV Tent (60,000 sq. ft.) is below.

Ronald McDonald Drink Tabs!

RV Wheelers Donate to Ronald McDonald House

Thanks to Doug Gibson.

The Wheelers have been saving beverage TABS for the last 10 - 16 years. The Club's first donation was over 12,000 tabs!! This time we have over 30,000 - way too many to count!

As you enjoy your summer travels, you can help make our effort count! Please save your drink tabs and bring them to the Ice Cream Social / RV Wheelers Club Meeting on Sept 12th.

Maybe we will have a weight guessing contest!!!

It's interesting to note the donation/collection of tabs is an income line on their budget!

The TABs Collection so far!!

We need a new newsletter editor!! Can you help?

MEMBERS ON THE MOVE

ANOTHER GREAT ALASKAN ADVENTURE!

By Dee Wennerstrom

Beautiful weather since I arrived. In the mid-70s. Expect some rain later this week. Staying busy. Flew out to a nearby glacier on Sunday and had a little picnic. The guys did some practice pistol shooting and we barbecued some moose hot dogs. The plane belongs to my son-in-law and is a tail dragger which is a little rough landing on a gravel runway near the glacier. Hi to The Wheelers!

For Sale – RV Wheeler members Kris and Sonia Flanigan are selling their RV. Please see the information and link below if you, or anyone you know, might be interested.
