# Caliente Springs Rally

November 17-21

Thanks for the following write up, Margy!

Bob and I recently joined Laguna Woods RV Wheelers. We went to Caliente Springs RV Resort with our club. Our parking spot had great views of the surrounding mountains. The parking and hook ups worked great. We loved our experience and will definitely go back. Our number one feature was the resort's pools. They are fed by mineral waters. There is a huge pool which averages 90 degrees. Its not too deep so you can water walk, do aerobics or just lounge. There are two volley ball games per day. Did I mention it all over 55 so everyone is welcome to join. There are also four warmer spa type pools with various temperature. The locker rooms have a dry sauna.

*A beautiful full moon rising . . . .*

*A game of pool volleyball . . .*

*. . . . and Amazing Sunsets!*

There is also billiards, golf and mini golf. We loved the happy hour and snacks the first night. Everyone in the club is friendly and helpful. We plan on joining the RV trip to Quartzite for our next adventure. We went to Palm Springs which was 11 miles away for a great Mexican lunch. They have cabins for rent as well as RV spots. We loved the resort and would never have found it without our RV Club. I really appreciate our organized trips. I'm still learning how to manage our RV and really appreciate all the people who put the trips together and all the friendship and community.
