MEMBERS ON THE MOVE.....

By Dee Wennerstrom

We just got back to her home in Tennessee after spending 6 days on Tybee Island, off the coast of Georgia. We were very fortunate to have avoided Hurricane Debby and enjoyed some very nice weather although it was hot and muggy. Hope all is going well with you.

If you've taken an RV trip lately and would care to share a few photos and a couple of paragraphs with fellow club members, please submit to Roslyn by the 20th of the month to be included in the following month's newsletter in the section entitled Members on the Move. It's clear members like reading about, and seeing, photos of your travel adventures!

Ron Zimmerman has offered to spearhead a club campout at the Antique Gas and Steam Engine Museum in Vista October 17-21, 2024. Some of us have attended in the past and it's quite an interesting experience. This is "Dry Camping" but they do have a water fill and a dump station adjacent to the camp ground.

They require a minimum of 10 rigs to do the camp setting. They will put our group together and sites will accommodate rigs and tow vehicles. We will have space for tables and campfires, the latter being in portable pits at least 6 inches off the ground. Total cost is \$160.00 for the 4 nights.

There is a separate entrance and exit to the camping area so we are free to come and go, and to enjoy other activities in the Vista area. By arriving on Thursday afternoon, we would arrive before some of the exhibitors, many of whom will come with their campers and equipment and will spend Friday setting up their exhibits.

Attached is a road map and a grounds map to show where the camping area is located.

Though not confirmed, the last time we went they had a great breakfast we could buy in one of the buildings on the property.

Quartzite No-Host Rally January, 2025

Some RV Wheelers plan to head to Quartzsite, AZ for the annual RV Show in January, 2025. The Quartzsite RV Show is the largest RV show in the world. This regional event is set to start on Saturday, January 18, 2025. Most of us are staying at the Rice Ranch RV Park which is located directly across the street from the main tent at 55 East Kuehn Street, Quartzsite, AZ. The Park has new owners who have done some improvements. We will confirm as it gets closer, but the rate is approximately \$57 per night for full hook-ups. Everyone must call to make their own reservations, but please tell them you're with the RV Wheelers as we have a block of sites on hold for our group from Thursday 1/16/2025 to Tuesday 1/21/2025.

Call Roslyn if interested (818)620-5019 or call Holly at Rice Ranch RV Park for reservations: (928)927-4782.

People love browsing the wares of over 425 vendors who cater to the RV enthusiast. From quirky kitchen items to RV bedding and the latest RV camping gadgets, the Quartzsite RV Show brings products to thousands of RV enthusiasts every day.

As a gathering place for winter snowbirds, the show is a cornerstone of Quartzsite's winter snowbird scene. Over one dozen different service bays on the show grounds provide needed repairs and upgrades for attendees.

Ronald McDonald Drink Tabs!

RV Wheelers Donate to Ronald McDonald House

Thanks to Doug Gibson.

The Wheelers have been saving beverage TABS for the last 10 - 16 years. The Club's first donation was over 12,000 tabs!! This time we have over 30,000 - way too many to count!

As you enjoy your summer travels, you can help make our effort count! Please save your drink tabs and bring them to the Ice Cream Social / RV Wheelers Club Meeting on Sept 12th.

Maybe we will have a weight guessing contest!!!

It's interesting to note the donation/collection of tabs is an income line on their budget!
